PREDESTINATION

The following is a brief synopsis of the sermon preached by the Rev. J. D. Barbee, in his pulpit, on Sunday, August 20. Text, Rom. viii., Mr. Barbee made these points,

which he elaborated, quoting large-

ly from the Holy Scriptures to support his theory of the questions in. volved in the text. First. Predestination is a doctrine clearly and unequivocally taught in the word of God.

Second. Predestination is not that of arbitrary decree, absolutely limiting in its action the number of men and angels to be saved, but it simply expresses the original purpose of God to save all men and per-25 00 30 00 35 00 50 00 80 00 pose of God to save all men and per-35 00 43 00 50 00 80 00 115 00 petuate the felicity of all angels. therefore, contradict in one place what is taught in another place: and from the great commission throughout the sacred teachings the idea is definitely expressed that salvation is possible to all. He also assumed that the language of the text, and the same language employed elsewhere in the Bible in the discussion of this subject, affirms the proposition that predestination is only the purpose of God to save men; a design Messrs, J. Wothers! Mothers!! Mothers!!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately-depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the intion of one of the in the United States. Sold every-

A Cough, Cold or Sore Thront should be stopped. Neglect fre-quently results in an incurable lung isease or consumption. Brown's BRONCHIAL TROCHES are certain to give relief in Asthma, Bron-chitis, Coughs, Catarrh, Consump-tive and Throat Diseases. For thirty years the Troches have been recommended by physicians, and al-ways give perfect satisfaction. They are not new or untried, but having been tested by wide and constant use for nearly an entire generation, they have attained well-merited rank among the few staple reme-dies of the age. Public Speakers and Singers use them to clear and strengthen the voice. Sold at 25c. a box everywhere.
